Brief description of the Transnational cooperation:

Our company, educational and consulting company of Czech republic, is preparing the project based on international cooperation between our company and foreign company/companies from EU with aim:

- a) Exchange know-how of system of adults education.
- b) Exchange know-how of system of social integration of people, who are endangered by social exclusion (the long term unemployed people, people - 25, 50+ and others), methods of social integration concentrate on the education, consultation, motivation and others.

The international cooperation will include:

- exchange of informations and experiences
- adoption and adaptation of new methods
- analysis, study visits
- organisation of conference, workshops, meetings
- and others

In case of need, the international cooperation can be form only at one of introduced aim.
